

## Audience suggestions/discussion at Enoch Pratt Library book presentation-2/25/2014

- change the mayor who is pushing in-town/out-town movement; remember Charles was built as a one-way road out of the city!!
- hold black leadership accountable
- use a scientific approach
- address transportation-MARC in West Baltimore as a gentrification tactic
- challenge de-centralizing of community, voting effects on who stays in power
- challenge current liquor campaigns-policy that addresses amount sold
- new effective leadership-electoral politics, leaders in the news need to be held accountable
- community has to be organized-voting/marching not as effective today
- forge partnerships; communication between have/have-nots; go into neighborhoods that are different from yours;bike party
- mix resourced with under-resourced folks
- check the voting records of current political leadership, vote the ones out who are not supporting electorate
- new ideas needd
- look at candidates for governor and other offices, bring new people in
